

COREKIDS

E2 Memory e-Pocket™ 750*

Quick response Memory e-Pocket™

The Jay-Be COREKIDS™ E2 Memory e-Pocket™ benefits from a Memory e-Fibre™ layer which is a more environmentally friendly alternative to foam and offers the same pressure relieving support as you move for uninterrupted sleep throughout the night. Its deep 750 e-Pocket™ sprung core is also topped with a supportive cushioning layer of Rebound e-Fibre™ and super soft Advance e-Fibre™. While the Infrared energy comfort layer revitalises and energises, helping improve blood flow and regulating body temperature for an enhanced night's sleep.
