# Sleep well.

Our Toddler and Simply Kids mattresses have been thoughtfully designed to offer the best night's sleep for your growing child.

## Orange Sprung Mattress

Designed with the environment and your child's future in mind this mattress is hypoallergenic and constructed with a medium firmness spring to offer evenly distributed support for growing bones and muscles. Topped with a High-Density Eco-insulator and a cushion of Rebound e-Fibre for support and cosiness.

## Green Anti-Allergy Sprung Mattress

Scientifically developed for children, the medium firmness spring and deep comfort layers offer additional support, while the latest probiotic anti-allergy technology actively helps to create a healthier sleeping environment.

## Yellow Anti-Allergy e-Pocket Sprung Mattress

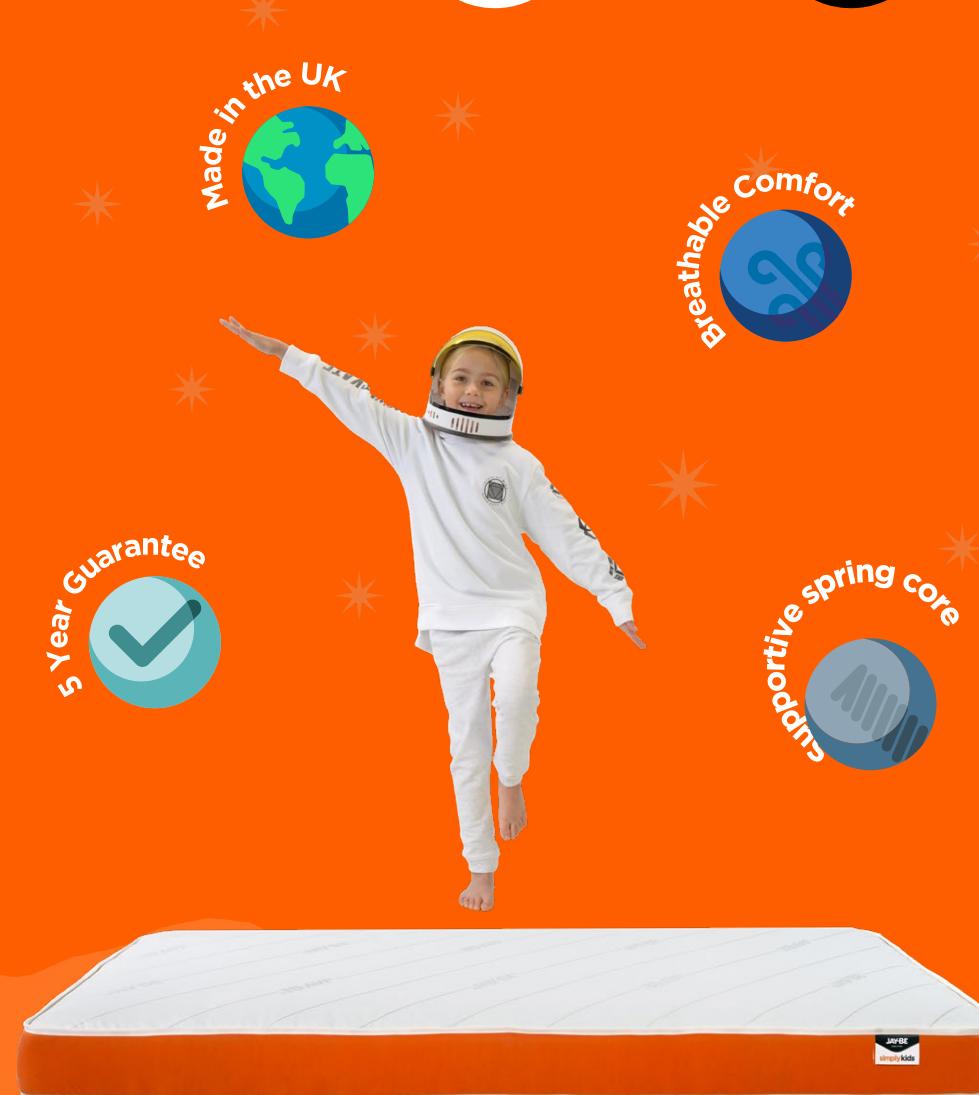

A premium option from our children's mattress range; this mattress features a higher specification e-Pocket spring that responds in synchronisation with the contours of your child's body, to provide exceptional reactive support. It is also infused with the latest probiotic anti-allergy technology.

## Blue Waterproof Sprung Mattress

Offering ultimate practicality this mattress features a medium firm spring, topped with deep e-Fibre comfort layers. Encased in the latest technically enhanced breathable waterproof fabric, it offers anti-bacterial, anti-microbial and anti-fungal protection and is easy to wipe clean.
