Feel good.

Thoughtfully designed with the future of our planet in mind, we take special care to use sustainable materials wherever possible.

Foam free mattress.

The primary comfort layers in our sofa bed mattresses are made from 100% foam free sustainable e-Fibre®.

FSC® C118932

FSC certified wood.

We ensure that all wood used in our products is harvested from 100% approved traceable, sustainable and ethical sources.

Comfort for you and the planet.

A photograph of a woman with blonde hair sleeping peacefully on a light blue sofa bed. She is wearing a white lace-trimmed top and is tucked under a white duvet. The sofa bed has a light-colored wooden frame and a matching footstool.

Sleep well.

Manufactured in our Yorkshire Factory to the highest quality standards, the premium materials used in our sofas and sofa beds provide comfort as a seat and luxury as a bed in one easy to use stylish sofa.

Breathable comfort layers.

The primary comfort layers on all our sofa bed mattresses are e-Fibre® which enables the free flow of air through the mattress, actively reducing moisture build up and helping to regulate body temperature.

Made in the UK.

Manufactured in our Yorkshire based factory our sofas and sofa beds exceed British, European and Internationally recognised safety and quality standards.

Hand made quality.

Expertly handmade by us, we control every step of the manufacturing process to offer excellent value while ensuring the highest quality.

Lifetime frame guarantee.

Our sofas and sofa beds come with a free lifetime frame guarantee for your long-term quality assurance and peace of mind.

We have diverted more than
70 million
plastic bottles* from going into landfill or our oceans since introducing e-Fibre® into our mattresses.

*Featuring polyester created from 100% recyclable plastic bottles. Weight of plastic described in equivalent number of average sized plastic drinking bottles.
