

Folding Beds.

UK's number one folding bed manufacturer.

UK's
number one
folding bed
manufacturer.

Compact.
Convenient.
Sustainable.

Folding beds.

Be ready for the unexpected with our range of sustainably designed folding beds.

Offering ultimate comfort combined with practicality and convenience, our folding beds are available in a variety of sizes, with varying base systems and mattresses.

Folding bed accessories.

Further enhance your folding bed with the addition of our exclusive accessories tailored to fit perfectly.

Our sleep smart range includes storage covers, washable mattress protectors and complete bedding sets; providing the whole sleep package for when guests arrive.

Get in touch

Feel good.

Designed with
sustainability
in mind.

We have actively diverted more than
70 million plastic bottles from going into
landfill or our oceans since introducing e-Fibre®.

70 million*

*Featuring polyester created from 100% recyclable plastic bottles.
Weight of plastic described in equivalent number of average sized plastic drinking bottles.

FSC® C118932

FSC certified wood.

The wood used in our headboards and slats is harvested from 100% traceable and approved sustainable and ethical sources.

e-Fibre® comfort layers.

The primary comfort layers in our mattresses are made from 100% foam free sustainable e-Fibre.

Recyclable steel.

As well as being very strong, steel can easily be recycled indefinitely.

Recyclable plastic.

Made from recyclable plastic.

Feel good, sleep well.™

Helping protect wildlife.

Reducing waste, land use, water use and CO₂ emissions helps to preserve natural habitats and maintain biodiversity.

Sleep well.

Unrivalled quality, value, and design.

Our folding beds are unrivalled when it comes to quality, value and design, offering ultimate comfort combined with practicality and convenience.

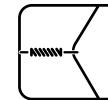

100% foam free.

The e-Fibre used in our mattresses is 100% foam free and free from harmful chemical emissions.

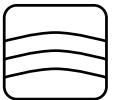

Breathable.

e-Fibre comfort layers allow air to flow freely throughout the entire mattress helping to reduce moisture build up.

J-Tex® sprung base.

Suspended using high-tension springs, this system is specially engineered to be stretch resistant, to carry a heavier user weight and offer long term durability.

Sprung slatted base.

Sprung slats flex as you move in the night and work in harmony with your mattress for exceptional support and a firmer feel.

Lifetime frame guarantee.

For your complete peace of mind and long-term quality assurance.

365 days.

Suitable for regular use, all our folding beds can be used 365 days of the year.

Made in the UK.

All our folding beds are made in the UK and exceed British, European and Internationally recognised safety and quality standards.

Feel good, sleep well.™

Sustainably designed and manufactured in accordance with our 'Feel Good, Sleep Well.' philosophy.

Product Index.

Folding Beds and Accessories.

*Please note: to give a consistent message to the consumer across our entire range, we have renamed the Impression Memory and Royal Pocket folding beds to Jubilee with a choice of mattresses.
